

New Jersey Needle Artists Enrollment Form

Dues are \$52 to join the American Needlepoint Guild (ANG) national organization and \$30 to join New Jersey Needle Artists (NJNA). All members of NJNA are required to belong to the national organization. For new NJNA members, the first year of dues is prorated to \$20 if you join May through August and to \$10 if you join September through December. All returning members pay the full \$30 in January.

If you are not already an ANG member, your first-year ANG membership will be processed by NJNA, so please include the \$52 in your payment. Renewing ANG memberships are processed by ANG at the national level and renewals are due in the month you first joined.

Please print this form and send with a check made out to NJNA to:
